SUBJECT : Training Selection Board

1. I wish to call to your attention [] dated 18 December 1963, which establishes the Training Selection Board, effective 1 January 1964. Paragraph 1 provides that the Executive Director/Comptroller and each Deputy Director will designate a representative to act for him as a permanent member of the Board.

STAT

2. If my interpretation of Action Memorandum No. A-336, dated 18 December 1963, subject, Midcareer Training Programs is correct, the responsibilities placed upon the Training Selection Board will be very time consuming. In addition to the selection of Agency representatives for external training courses, the Training Selection Board is expected to play an important part on a continuing basis in the direction and monitoring of the (Midcareer) Program.

3. I suggest, therefore, that in designating your representative on the Training Selection Board, you give full consideration to the priority demands for his time which membership on the Board will require.

[]
MATTHEW BAIRD
Director of Training
